

# HURRICANE IAN SITUATIONAL UPDATE

October 5, 2022

Private Sector Emergency Management Association  
**Communicate-Connect-Collaborate-Coordinate**

Contact: [julie@psema.org](mailto:julie@psema.org)  
Website: [psema.org](http://psema.org)

\*\*\*\*\*

The PSEMA team will provide Hurricane Ian daily updates to our members and partners. The Situational Reports are a collection of private and public resources organized to provide both our business and government partners with a snapshot of the response and recovery efforts. New information that could be useful will be in **green** each day.

**The daily PSEMA Hurricane Ian Collaboration and Coordination call ended October 4, 2022.** If your organization has a request or needs assistance, please contact [julie@psema.org](mailto:julie@psema.org).

**NOTE:** PSEMA is an association focused on business supporting business before, during and after a disaster. The Situational Updates will provide resources for our partners. This is not an endorsement of a product, company, or service.

Is your business is looking for resources to prepare or respond to Hurricane Ian? Does your business have resources available to support the communities in the expected impact area? Please complete the survey below and PSEMA will start connecting the resources. [PSEMA Resource Survey](#)

## **VOLUNTEER OPPORTUNITIES**

[Crisis Cleanup](#) Ian Incident after landfall

1. Log into <https://www.crisiscleanup.org> and click “Request Redeploy” on the Dashboard
2. If your organization/agency does not have an account, register at <https://www.crisiscleanup.org/register>
3. Hotline for the public will be activated AFTER landfall 800-451-1954

## **RE-ENTRY INFORMATION FOR BUSINESS**

**Federal Re-Entry Information:** The Cybersecurity & Infrastructure Security Agency (CISA) [Access Coordination Request](#) letter (ARC letter) is provided to assist critical infrastructure owners and operators engage local officials in coordinating the access and support necessary to restore infrastructure services. You can access the ARC Coordination Request for Hurricane Ian [here](#).

**State of Florida**

- **Sarasota County Re-Entry Information** [Here](#)
- In the State of Florida, additional information is required for re-entry. More information can be found at [Private Sector Re-Entry Guidelines](#). Re-entry will be managed by local elected officials and law enforcement officers. Those moving essential commodities and services will need to have the following items:

- Valid government-issued ID, such as a driver's license or passport;
- Proof of employment, such as Employer credentials or a letter on employer letterhead; and
- A demonstrated need to enter the area, such as a work order, inventory list, or employer authorization.

## PRIVATE SECTOR RESOURCES

- Florida State Surgeon General signed [Emergency Order 22-05](#), which authorizes out-of-state psychologists, mental health counselors, clinical social workers, and marriage and family therapists holding a valid, unrestricted, and unencumbered license to provide care, including telehealth
- Florida Department of Children and Families announced a First Responder Support Line (407) 823-1657, single point of contact that will provide first responders with mental health professionals
- NOAA National Weather Service Advanced Hydrologic Prediction Services River Forecast Tool including river projections can be found [here](#).
- NOAA National Geodetic Survey damage assessment imagery available [here](#). Using the tool, you can zoom into a specific area to see the damage from Hurricane Ian.
- Updates from State of Florida can be found on the Office of the Governor [page](#)
- **Healthcare Update:** Florida State Surgeon General signed Executive Order 22-004 authorizing licensed health care professionals in good standing from out of state to practice in Florida for the duration of the EO.
- **Healthcare Update on Curfews:** Florida State Surgeon General issued [guidance](#) for businesses performing a critical role in providing healthcare delivery services and is authorized to travel outside established curfews.
- [Florida Current Disaster Updates for Business](#)
- For the latest update on [Florida Open / Closed Private Business Status](#)
- [Florida Business Damage Assessment Survey](#) collects information on business that have been impacted by Hurricane Ian. It is not an application for resources.
- **Florida Price Gouging Hotline:** Hurricane Ian (866) 966-7226; tips for [avoiding price gouging](#)
- **Florida Department of Business & Professional Regulations:** [Hurricane Guide / Hurricane Ian](#)

## FEDERAL ACTIONS / UPDATES

- [President Biden amends major disaster declaration for Florida on October 5, 2022](#) (increase to federal funding for debris removal and emergency protective actions)
- White House Fact Sheet issued October 5, 2022, "[The Biden Administration Continues to Support Hurricane Ian Response Efforts](#)"

## PRIVATE SECTOR SUPPORTING HURRICANE IAN

- **University of Florida / IFAS:** [Hurricane Preparedness for Horses, Livestock, Animal Identification](#)
- **University of Florida / IFAS Center for Public Issues Education:** [Florida Extension Disaster Education Network](#)

### **Communications**

- Telecommunications continues to work with law enforcement on aerial and drone assessments
- Governor DeSantis announced on October 1, 2022, that 30 Starlink units have deployed to Lee and Charlotte counties to help residents communicate once they check into established points of distribution. An additional 10 smaller Starlink units have been deployed for Emergency Operations Centers and first responders to use in the field.
- The Federal Communications Commission [Hurricane Ian Status](#)

- **AT&T** [Hurricane Ian Preparation](#)
- **T-Mobile** [Hurricane Ian Preparation](#)
- **Verizon** [Hurricane Ian Preparation](#) / [Hurricane Resource Center](#)

### **Construction / Manufacturing**

- The Secretary of the Florida Department of Business and Professional Regulation issued [Executive Order 2022-03](#) waiving the requirement for certified or registered, general building, or residential contractors to subcontract roofing work for the repair or installation of any roof type in listed counties.

### **Disaster Recovery**

- **Disaster Recovery Services (disastersllc.com):** [Hurricane Season Information](#)

### **Energy** (as of October 5, 2022, per floridadisaster.org)

- As of 5 pm ET; 273,745 customers without power
- Current Outages found [here](#)

### **Food / Water** (as of October 5, 2022)

- Department of Children and Families is pursuing the following federal waivers to assist with food assistance benefits (SNAP)
  - Automatic replacement of 70% of September food assistance benefit for Floridians impacted by Hurricane Ian who did not receive an early release of SNAP. And, the ability to use SNAP benefits to purchase hot food
- Boil water advisories are still in effect for parts of 23 counties; residents urged to converse water and reach out to local utility or county emergency contact for most up-to-date information
- 28 POD sites operating and distributing food and other supplies in 7 counties
- State is coordinating four barges to aid in the delivery of commodities in Lee County to Pine Island and Sanibel Island

### **Fuel** (as of October 5, 2022)

- Port Charlotte and Cape Coral, Florida are still experiencing significant gas station closures due to power outages or limited fuel supply
- All ports and terminals are open for fuel and many gas stations have begun receiving shipments. Additionally, two residential fuel agencies are open; one in Dunbar, Ft. Myers and one in Arcadia. Cars can get up to 10 gallons per day; trucks can get up to 50 gallons per day
- Mobile, public fueling station opened today in Lee County at Stars Complex to provide fuel for vehicles and gas cans for generators to impacted residents
- FDEM has 8 active fuel depots throughout central and southwest Florida to ensure first responders have the fuel they need to conduct search and rescue operations. More than 1.4 million gallons of fuel have been mobilized.
- **Jaguar Fueling:** Jennifer Martinez, 432-231-2213; [Jennifer.martinez@jaguarfueling.com](mailto:Jennifer.martinez@jaguarfueling.com)
- **Gaines Oil Company:** RJ Johansen, 732-779-1331; [rjjohansen@gainsoil.com](mailto:rjjohansen@gainsoil.com)

**Participant Code:** 753 329 128

## FLORIDA PRIVATE SECTOR STATUS UPDATES

(As of October 5, 2022, per floridadisater.biz)

### Airbnb

- **Airbnb** has launched a special website to help Hurricane Ian Relocation efforts for impacted residents at [Airbnb.com/hurricaneianflorida](https://www.airbnb.com/hurricaneianflorida). The page features open (vacant and available for rent) properties that are available to be booked outside of the FEMA Disaster zones. As communities become fully restored with water and electricity, Airbnb will add more open properties to [Airbnb.com/hurricaneianflorida](https://www.airbnb.com/hurricaneianflorida).
- For Florida residents displaced due to Hurricane Ian, **Airbnb** is also working with their nonprofit partners to offer vouchers for temporary housing at Airbnb properties. To learn more about how the voucher program works, see Airbnb's full press release at <https://news.airbnb.com/airbnb-org-hurricane-relief-efforts/>. Separately, Airbnb has committed \$250,000 to the [Florida Disaster Relief Fund](#) to support Florida communities impacted by Hurricane Ian.

### Anheuser-Busch:

- At the request of the American Red Cross, Anheuser-Busch is delivering seven truckloads – more than 360,000 cans – of emergency drinking water to support local communities in response of Hurricane Ian in Florida.

### AT&T

- AT&T is waiving talk, text, and data overage charges for AT&T Postpaid & PREPAID customers with billing addresses in 828 zip codes across Florida from September 28, 2022, through October 28, 2022, to keep customers connected before, during and after any major storm event.
- To assist the recovery, AT&T is now welcoming other carriers' customers to roam on AT&T networks so they can connect, even if their carrier's service isn't available after the storm. Once this roaming begins, customers will automatically be connected to AT&T network.

### Charter Communications

- Charter Communications has opened nearly 175,000 Spectrum Out-of-Home WiFi access points across Florida, Georgia and South Carolina in support of preparation for and response to Hurricane Ian. [Information on how to access the points is here.](#)

### Chick-Fil-A

- For two weeks starting October 4, 2022, Chick-Fil-A will deploy an 18-wheeler food truck to Ft. Myers at a located hosted by the Southern Baptist Convention, serving up to 1,000 sandwiches per hour to impacted residents.

### Comcast

- Comcast has opened Xfinity WiFi hotspots in Central, North and Southwest Florida, and the Panhandle for Xfinity customers and non-customers to stay connected during and after the storm. Details are available [here](#).

## **CVS**

- Majority of stores have reopened. Any CVS that is open in the impacted area can fill prescriptions.

## **Expedia**

- In partnership with VISIT FLORIDA, to support the Emergency Accommodations portal at [expedia.com/Florida](https://expedia.com/Florida) which is being updated with the latest available lists. Expedia, in partnership with VISIT FLORIDA, is reaching out to travel partners to encourage them to waive cancellation fees and reached out to accommodations to encourage them to waive pet restrictions.

## **Florida Restaurant & Lodging Association**

- The FRLA has been working with Chick-Fil-A, Firehouse Subs, Burger King, McDonalds, 4Rivers, Texas Roadhouse, Culvers, Popeyes, Benihana, Anna Maria Oyster Bar, Great Southern, Darden, Brinker, Red Lobster, Waffle House, and Bloomin Brands to bring help.

## **Lowe's Home Improvement**

- Marvin Ellison, Lowe's Chief Executive Officer and President, has announced a **\$2M commitment to support disaster relief efforts** for associates, customers and communities in Florida. Funding will assist Lowe's disaster relief partners and nonprofit Pro customers, helping these organizations and others provide critical relief and recovery supplies.
- To support our associates, Lowe's has:
  - Deployed Emergency Response Teams from non-impacted stores to assist stores in impact zones. This will allow impacted associates to take care of their families and homes.
  - Deployed meal and hygiene kits.
  - Deploying shower and washer/dryer trailers, to facilitate our associates getting a hot shower and being able to launder clothing.
  - Deployed gas tankers to fuel associate vehicles.

## **McDonalds**

- October 5-8, 2022, local McDonald's restaurant owners are serving thousands of free hot meals in SW residents

## **Publix Super Markets**

- Publix has delivered more than 700 truckloads of water, equal to almost a million cases, delivered more than 3 million pounds of ice, and is storing double normal volumes. Prior to closing stores impacted by the storm, Publix donated perishable products to local police, firefighters, and emergency response teams, and also ensured that associates that work nearby and prepared these stores for the storm received donated products.

## **Rosen Hotel & Resorts**

- Rosen Hotels & Resorts activated its Florida Resident Distress Rate. While the distress rates are being offered, Rosen hotels, which are pet-friendly, while not charging an additional fee for pets. The hotels offer free WiFi. To book a reservation, call 866-337-6736

## **SpaceX**

- SpaceX is supporting the Florida Division of Emergency Management with Starlink high-speed satellite internet service to enable connectivity for recovery and first response efforts.

## **T-Mobile**

- T-Mobile has four Community Support Trucks loaded with supplies including chargers, charging cords and cell phones, as well as three wi-fi trailers with the ability to charge up to 80 phones each, along with Wi-Fi. These assets are staged just outside of the impact area and will be deployed as soon as it is safe to do so. Most T-Mobile customers are on plans with unlimited talk, text and data, for those who aren't, T-Mobile continues to offer unlimited talk, text, and data starting September 28 through October 3 for those most impacted by the storm. Text to Give opportunities are also available and the most updated information from T-Mobile can be found at <https://www.t-mobile.com/news/community/hurricane-ian>

## **Trump International Beach Resort**

- The Trump International Beach Resort in Sunny Isles has implemented special discounted rates for Floridians needing accommodations in the wake of Hurricane Ian. The resort welcomes pets under 40 pounds, and as a condo hotel, offers kitchens and laundry facilities in all rooms. To book a reservation call 866-976-0383.

## **Uber Technologies**

- Uber Announces **Free Round-Trip Rides** to Florida Shelter Locations in Orange, Brevard, Seminole, Volusia, Osceola, Hillsborough, Pinellas, Manatee, Pasco, Lee, Charlotte, and Sarasota counties.
- Riders can enter promotional code IANRELIEF in the app to redeem a free round-trip up to \$30 each way. Rides must be requested to or from any state-approved evacuation shelter in Florida listed [here](#).

## **U-Haul International, Inc.**

- Offering 30 days of free storage and U-Box container usage at 43 Florida locations. As part of our disaster relief program, we're able to provide secure locations for Florida residents to protect their possessions. Find more information [here](#).

## **Walmart Inc.**

- Walmart has activated Disaster Displacement Assistance for impacted associates to assist them in evacuating to safety. Walmart Transportation has positioned 400 drivers in Mississippi, Alabama, and Georgia to support recovery efforts. Walmart and Sam's Club have pushed more than \$23 million in additional water and disaster related merchandise ahead of the storm, including over 660 truckloads of additional water and disaster related merchandise ahead of the storm. A public-facing map showing store and club closures that updates in real-time has been published at [Hurricane Ian Facility Status \(walmart.com\)](#).
- Walmart, Sam's Club and the Walmart Foundation are committing up to \$6 million to recovery and relief efforts. This support will include donations of essential supplies and grants to organizations providing relief on the ground. Our customers, members and associates are the most generous people we know. So as part of this commitment, we will help maximize their impact by matching contributions 1:1 when they donate at our registers (up to \$2.5 million) or through our associate giving program.

## **Wawa**

- Find information on gas availability at Wawa [HERE](#)
- Wawa has made a \$500,000 donation to the Florida Disaster Fund to help aid in recovery efforts.
- Wawa stores in Florida are providing free coffee and fountain beverages to all first responders in Florida, including police, fire, EMT and the National Guard for all they are doing to support and serve our communities during Hurricane Ian response and recovery efforts.

## **Wells Fargo & Company:**

- On September 30, 2022, Wells Fargo is checking on their employees and locations that were in the path of the storm. 52 of the 600 branches are currently closed. Servicing is limited at this time, but Wells Fargo has generators and mobile ATMs ready to mobilize.
- Wells Fargo announced that they are donating \$1 million to the American Red Cross and three other charitable organizations who are supporting response to Hurricane Ian. Additionally Wells Fargo will be enabling donations via their ATMs so that customer is offered the option to donate to the American Red Cross.

## **FLORIDA STORE UPDATES** (as of October 4, 2022, per floridadisaster.biz)

### **AT&T**

- Only 4 AT&T Corporate store locations remain closed. Stores are located in Sarasota, Naples, Port Charlotte and Venice. All other corporate store locations in the impacted area around the state are open and ready to address customer needs.

### **CVS**

- Approximately 7 stores remain closed in the Ft. Myers / Cape Coral area

### **Healthcare Ready**

- Tracking pharmacy and dialysis center closures. Go to <https://rxopen.org/> for a map of closures.

### **Home Depot**

- Store located at 12621 S. McCall Road, Port Charlotte, FL 33981 remains closed

### **Publix Super Markets:**

- 5 of 47 stores in Charlotte and Lee counties are closed
- [Publix Store Hour](#)

### **Southeastern Grocers:** Winn-Dixie, Fresco y Mas, Harvey's.

Any liquor stores or pharmacies associated with impacted stores will be closed as well. If you do not see your store on the list, it is open as of the last update.

- Winn-Dixie: [Check openings here.](#)
- Fresco y Mas: [Check openings here.](#)
- Harvey's Supermarket: [Check openings here.](#)

### **Target**

- Store Status found [here](#)

### **Walgreens**

- 37 locations remain closed in SW Florida

### **Waffle House**

- 6 Waffle Houses from Naples to Bradenton are currently closed, following local evacuation guidelines.

## Walmart Inc.

- 3 locations in Lee and Charlotte are closed

## FEDERAL / STATE / LOCAL EMERGENCY MANAGEMENT RESOURCES

### **About PSEMA**

PSEMA is a 501(c)(6) organization incorporated in the State of Texas. PSEMA facilitates business-to-business conversations and coordination prior to and during a disaster. The Association provides members with information on preparedness, response, and recovery. We are here to work with businesses to get back to work when a disaster strikes. For more information on the resources available to PSEMA members join [PSEMA](#) today.
